**Temporary Wild Horse Trap and Holding Facilities within Wilderness Study Areas**

The Bureau of Land Management, Lakeview Resource Area, has analyzed a proposal to place temporary wild horse trap(s) and/or holding facilities within several Wilderness Study Areas (WSAs) in the Lakeview Resource Area and adjacent Burns District, as necessary, during future horse gathering operations. Though the impacts of wild horse gathers have previously been addressed in a separate EA, the placement of temporary gather facilities within WSAs was not addressed. These temporary facilities are needed to protect the health and safety of both foals and adults during gather operations.

An EA and FONSI have been prepared to document the impacts of the proposal. Copies of these documents are available for review by writing the Lakeview District Office, 1301 South G Street, Lakeview, Oregon 97630, or by calling Theresa Romasko at (541) 947-6143. The documents are also available on the district web page at [www.or.blm.gov/Lakeview/Planning/projectlevel\\_EA\\_LRA.htm](http://www.or.blm.gov/Lakeview/Planning/projectlevel_EA_LRA.htm). If you wish to provide comments on the proposal you must do so, in writing, by July 23, 2004.
