Dear Reader:

An Environmental Assessment and proposed Finding of No Significant Impact have been prepared for a proposed right-of-way to authorize the construction of a buried fiber optic cable across a 20-acre parcel of BLM land in Baker County, Oregon. The location is along the Denny Creek Road about 12 miles south/southwest of Baker City.

A public comment period is now in effect until May 24, 2004. To be considered in final decision making, comments must be filed by that date with the Field Manager, Bureau of Land Management, 3165 10th Street, Baker City, Oregon 97814.

If you have any questions about this project, please contact Steve Davidson at 541-523-1349.

Sincerely,

s/Penelope Dunn Woods
