Dear Reader:

An Environmental Assessment and proposed Finding of No Significant Impact have been prepared for proposed changes to the grazing authorization and permit for the Snake River Allotment, #1001, in Baker County. The affected site includes public and included private lands lying between the Lookout Mountain Road and the Snake River approximately 40 miles southeast of Baker City, OR.

A public comment period is now in effect until June 6, 2002. To be considered in final decision making, comments must be filed by that date with the Field Manager, Bureau of Land Management, 3165 10th Street, Baker City, Oregon 97814.

If you have any questions about this project, please contact Clair Button at 541-523-1424.

Sincerely,

s/Penelope Dunn Woods
