Dear Reader:

An Environmental Assessment (EA) Document (OR-030-99-009) and Finding of No Significant Impact (FONSI) has been prepared by the Vale District, Bureau of Land Management for noxious weed control and rangeland restoration/rehabilitation on 31,000 acres of rangeland north of McDermitt, Nevada. This is for work to be conducted over the next 10-15 years to control noxious weeds and restore annual rangeland.

The end of the 15-day public comment period on the EA, during which you may comment on this proposal is; July 1, 2002. Copies of the EA are available upon request or may be downloaded from the Vale District web site at <http://www.or.blm.gov/Vale/>

Comments, including names and addresses of respondents, will be available for public review at the identified administrative office during regular business hours (8:00 a.m. to 4:30 p.m), Monday through Friday, except holidays, and may be published as a part of the EA document or other related documents. Individual respondents may request confidentiality.

If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law.

All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be make available for public inspection in their entirety.

If have any questions concerning this project, please contact Randy Eyre at (541) 473-3144.

Sincerely,

s/Jerry Taylor
