

Vehicle Shuttles

Boating parties may choose to make shuttle arrangements through a local business, or provide their own. A partial list of businesses providing shuttles or other boater services is provided below.

Visitors who provide their own shuttles should have a map, know the route, and be familiar with the local conditions. Roads may be unmaintained or closed due to seasonal conditions. Secondary roads require advance preparation to travel safely. Signing is infrequent, and road surfaces may be very rough. Always carry a functional spare tire, food, water, and emergency equipment, and keep a full tank of gas. Hazards may include snow, mud, reduced visibility, wildlife, livestock, rocks, landslides, logging traffic, steep grades, and fallen trees. Drive with caution. Inquire locally for current conditions.

Common shuttle routes and approximate travel times are listed below. All estimates are one-way.

Shuttle Points	Route	Est. Time 1-way	Road Surface
Minam to Wildcat Bridge/Mud Creek and dirt)	Promise Rd.	1 hr. 20 min.	(gravel
Minam to Troy and dirt)	Promise Rd.	1 hr. 40 min.	(gravel
Minam to Troy paved with some gravel)	Enterprise-Flora	2 hrs.	(mostly
Minam to Boggan's Oasis	Enterprise	1 hr. 45 min.	(paved)
Minam to Heller Bar and gravel)	Enterprise-Asotin	3 hrs.	(paved
Boggan's Oasis to Troy and gravel)	Grande Ronde Rd.	20 min.	(asphalt
Boggan's Oasis to Shumaker Access and dirt, mud when wet)	Hwy. 129-Shumaker Rd.	1 hr.	(paved
Boggan's Oasis to Heller Bar and gravel)	Hwy. 120-Asotin	1 hr. 15 min.	(paved
Elgin to Troy and dirt, closed in winter)	Forest Rd. 62	2 hr. 30 min.	(gravel
