**Buckaroo Pass Fence Extension
(EA#-OR-010-2004-07)**

The Lakeview Resource Area, Lakeview District, Bureau of Land Management (BLM) is proposing to extend an existing pasture fence within the Beaty Butte Allotment by about 9 miles. The purpose of the proposed action is to more clearly define two separate pastures within the allotment to better manage for a rest rotation grazing system. The project would also include about ¼ mile of new pipeline and a trough.

The EA and FONSI have been prepared to document the impacts of the proposed action. Copies of the documents are available for review by writing to the BLM, Lakeview District Office, 1301 South G Street, Lakeview, Oregon 97630, or by calling Les Boothe at (541) 947-2177. The documents are also available on the Lakeview District's webpage at <http://www.or.blm.gov/Lakeview/Planning/RevEA.htm>. If you wish to comment on the proposal, you must do so in writing no later than June 11, 2004.
