NOTICE IS HEREBY GIVEN that the Bureau of Land Management will offer for sale timber as described herein for oral auction, pursuant to Instructions to Bidders, as stated on Form No. 5440-9 and subject to Notice of Requirement for Certification of Nonsegregated Facilities, Form No. 1140-4, attached. Written and oral bids will be received by the District Manager, or his representative, at the Bureau of Land Management Office, 3040 Biddle Road, Medford, Oregon, telephone (541) 618-2200. This is not a public meeting and is an invitation to bid only. Therefore, only those persons bidding on timber sales will be allowed to attend this auction. The timber sale will commence at 9 a.m. on Thursday, June 24, 2004.

THIS TIMBER SALE NOTICE does not constitute the decision document for purposes of protest and appeal of a forest management decision. Consistent with 43 CFR Subpart 5003 – Administrative Remedies, the notice of a timber sale, when published as a legal ad in a newspaper of general circulation shall constitute the decision document for purposes of protest and appeal. The sale notice, first published on September 4, 2003, in the Medford Mail Tribune, Grants Pass Daily Courier, and Roseburg News Review newspapers, constituted the decision document for purposes of protest under 43 CFR Subpart 5003 – Administrative Remedies. The doctrine of administrative finality precludes review of issues which could have been reviewed at the time of the first offering but were not, and of issues on which a final decision was made at the time of the first offering.

A WRITTEN BID on Form 5440-9 at not less than the appraised price on a unit basis per species and the required minimum bid deposit shall be required to participate in oral bidding for each tract.

****FOR SET-ASIDE TRACTS, the bidder must not have been determined by the Small Business Administration to be ineligible for preferential award of set-aside sales and must accompany his deposit with a self-certification statement that he is qualified as a small business concern as defined by the Small Business Administration in its regulations, Title 13, Chapter I, Part 121 as amended, of the Code of Federal Regulations. The Form 5430-1, Self Certification Statement, must be completed prior to awarding the contract. The successful bidder will be required to sign SBA Form 723, 'Small Business Certification Required on all Preferential Sales of Set-Aside Timber' at the time he signs the timber sale contract.**

APPRAISED PRICES are determined by analytical appraisal methods unless otherwise noted on individual timber sale notices.

THE SUCCESSFUL BIDDER, as a condition of award, will be required to complete and/or sign the following forms:

- 1. Form 1140-6, a certification that the bid was arrived at by the bidder or offeror independently, and was tendered without collusion with any other bidder or offeror.**
- 2. Form 1140-7, Equal Opportunity Affirmative Action Program Representation, for all contracts over \$10,000.00.**
- 3. Form 1140-8, Equal Opportunity Compliance Report Certification.**
- 4. Form 5450-17, Export Determination.**

A PERFORMANCE BOND in an amount not less than 20 percent of the total purchase price will be required for all contracts of \$2,500 or more, but the amount of the bond shall not be in excess of \$500,000, except when the Purchaser opts to increase the minimum bond as provided in 43 CFR 5451.2. A minimum performance bond of not less than \$500 will be required for all installment contracts less than \$2,500.

QUALIFIED SMALL BUSINESS concerns may apply to the Small Business Administration for a loan to provide financing for access road construction required under the terms of qualifying timber sale contracts and necessary contract changes will be made. Approval of loan applications rests with the Small Business Administration and may be contingent upon availability of funds. Applicants for such loans shall notify the Bureau of Land Management of their intention to apply for such loan.

LOG EXPORT AND SUBSTITUTION. All timber sales shall be subject to the restrictions relating to the export and substitution of unprocessed timber from the United States in accordance with P.L. 94-165 and 43 CFR 5400 and 5420, as amended.

ADDITIONAL INFORMATION concerning each timber sale tract described herein is available at the Medford District Office. A copy of the timber sale contract is also available for inspection at the District Office.

THE VOLUMES LISTED herein are estimates only, based on 16-foot taper breaks, which must be taken into consideration if comparisons are made with volume predictions based on other standards. The volumes based on 32-foot taper breaks are shown for comparison purposes. No sale shall be made for less than the total purchase price, without regard to the amount bid per unit, even though quantity of timber actually cut or removed or designated for taking is more or less than the estimated volume or quantity so listed.

INSTALLMENT PAYMENTS may be authorized for sales of \$500 or more. Required installments will be determined by BLM. For sales under \$500,000, installments will not be less than 10% of the total purchase price. For sales of \$500,000 or more, installment payments shall be \$50,000.

A SALE DEPOSIT equal to an installment is required prior to approval of the contract. This deposit must be made in cash or by check payable to the Department of Interior - BLM.

AN IRREVOCABLE LETTER OF CREDIT (ILC) may be used in place of bid bonds, performance bonds, and payment bonds. ILC 's must be approved by the Authorized Officer prior to use and are subject to certain limitations. Contact the District Office for further information.

THE PURCHASER is given no authority to enter upon or cross any private lands or to use any privately-owned property or improvements unless such rights are specifically covered in the contract stipulations. If the Purchaser desires to make any use of private property which is not specifically authorized by the contract, they must make the necessary prior-arrangements for such use with the landowner.

PRIOR TO STARTING any operations, the Purchaser or their designated representative will be required to meet with the Authorized Officer or their representative and the Contract Administrator for a prework conference. If a subcontractor is to be involved in the operation, the subcontractor must also be represented at the conference. If more than one subcontractor is to be involved in the operation, it may be necessary to have more than one prework conference unless all subcontractors can be present at one conference.

Appraised slash disposal consists of three (3) acres of selective slashing, three (3) acres of slashing, three (3) acres of hand piling, and three (3) acres of under burning.

This contract provision limits the liability of the Government to the actual costs incurred by the Purchaser which have not been amortized by timber removed from the contract area.

PERFORMANCE BOND - A performance bond in the amount of 20% of the total purchase price will be required.

OTHER -

1. No extension of time beyond the normal 30 days will be granted for completing bonding and contract signing requirements.
