

SATURDAY SEPTEMBER 28, 2002

The Bureau of Land Management is hosting the 9th annual National Public Lands Day at various locations across Oregon and Washington. This is a great opportunity for individuals, families, and community groups to come together and give something back to the public lands.

Sponsoring BLM offices, project site locations, types of activities, and contact information is listed below. If you are interested in a specific site or activity, please contact the project coordinator directly. For information about site activities happening across the country, call **1-800-VOL-TEER** or on the Internet at www.npld.com.
