

**Purposive Survey Species Location Map  
Mollusk Macro-Plot**

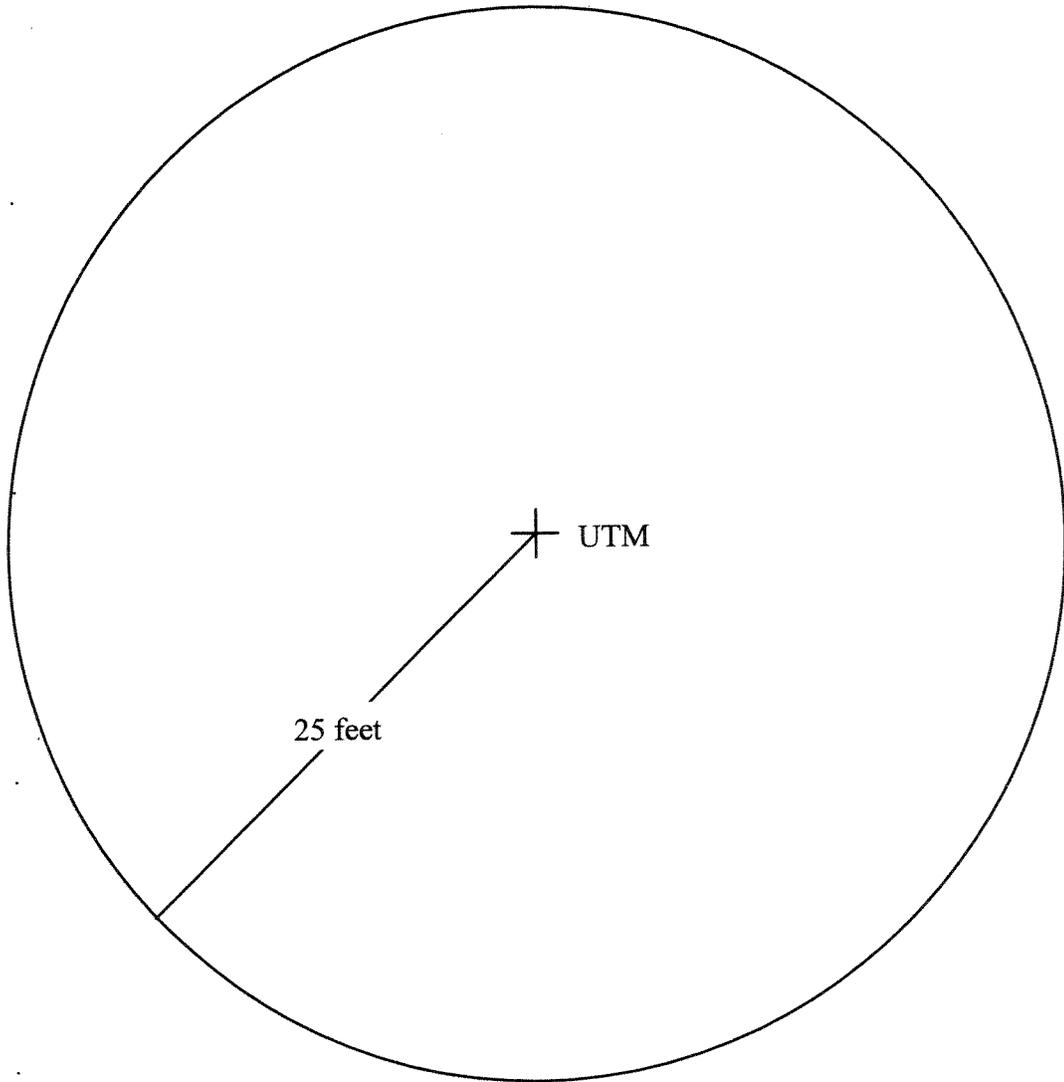

**Admin Unit Name:** \_\_\_\_\_ **Survey Area:** \_\_\_\_\_

**Survey and Manage Species Name:** \_\_\_\_\_

**Collector Name:** \_\_\_\_\_ **Coll #:** \_\_\_\_\_

**Date Collected:** \_\_\_/\_\_\_/\_\_\_

**UTMX:** \_\_\_\_\_ **UTMY:** \_\_\_\_\_

Center Point marks the location of Survey and Manage monument and mark the location where the specimen was collected in relation from the monument. Diagram any distinctive features (streams, down wood, large trees, root wads, etc) within 50 feet of plot center. Include the location of the two reference trees.

Fill out separate data sheet for each search area.
