## **Timber sold ! By the Roseburg BLM**

**Roseburg, Ore.** – The Roseburg District of the Bureau of Land Management offered and sold in oral auction on Tuesday, July 24, 2001, a tract of timber totaling 1654 hundred cubic feet, (913,000 board feet).

The tract was appraised at \$214,047.70 and sold for \$240,517.55. Scott Timber Company was the successful bidder of the Kola's Ridge commercial thinning located within the South River Resource Area on the Roseburg District.

This commercial thinning not only provides a supply of timber, but also reduces stand densities in order to maintain health and vigor within the stand. Healthier forests are at lesser risk of loss to fire, insects and disease.
