Tree damaged by vandals

Roseburg, Ore. – The Bureau of Land Management recently received a report that a tree within the Right View timber sale near Glide has been girdled. Representatives of the BLM and Law Enforcement Officials have investigated the tree and surrounding area but no substantial evidence has been found to identify the vandals.

This tree was used as a tree-sitter tree in protest of the Right View timber sale. The Right View timber sale was harvested approximately one year ago.

For more information please contact the Roseburg BLM Public Affairs Officer, E.Lynn Burkett, on 541-440-4930.
