ROARING CREEK ROAD CLOSED

SALEM—The Bureau of Land Management (BLM) is closing Roaring Creek Road, 8 miles southwest of Forest Grove and 2 ½ miles west of Cherry Grove. The deteriorating road is causing sediment to flow into Roaring Creek, impacting fish. The road will reopen next summer after road repairs are completed. For further information contact Carl Symons, in BLM's Tillamook Resource Area at 503-815-1465.
