

Richard P. Benner
2204 NE 16th Avenue
Portland, OR 97212

Interest: No Financial Interest

Occupation: Office of General Counsel, Metro

Mr. Benner is an attorney with expertise in natural resources policy and experience with statewide land use planning programs. He is the former director of the Department of Land and Conservation and Development and former Executive Director of the Columbia River Gorge Commission. He has an extensive background in collaborative approaches to solving difficult land use issues, and is dedicated to promoting and protecting Oregon's farm and forest economy.
