

E. Ron Harding
P.O. Box 374
Hines, OR 97738

Interest: Wild Horse Management

Occupation: Retired

While employed with the Bureau of Land Management, Mr. Harding was primarily responsible for the development of the two Kiger Herd Management Areas (HMA) and the South Steens HMA and assisted with the writing of BLM's Wild Horse and Burro Manual. Mr. Harding has effectively worked with numerous wild horse interest groups, and internal and external resource specialists to ensure long-term health of these horse herds while meeting a multitude of resource objectives. He has lifetime experience in breeding and training horses. He has a Bachelor of Science Degree in Zoology and training in pre-veterinary medicine.
